EXTINGUISHING THE CHALICE

POSTLUDE

The Breeze at Dawn (words, Rumi; music, Dale Zola)

Our congregation acknowledges that we meet on the ancestral
lands of the western Abenaki. We honor their elders past,
present, and future and seek wisdom to guide us in healing harm
to Indigenous peoples.

*Please rise in body or spirit

Our worship morning results from countless hours of reflection,
singing, collaboration, meditation, baking, coffeemaking, tech
magic, pellet-boiler tending, and general pitching in. It results
from your showing up and taking part. Thank you all!
Rev. Lane

*The flowers this Sunday are given by Marsha and Ed Morrow and
dedicated to the members of their family who have passed on.*

Covenant of the Peterborough Unitarian Universalist Congregation

As Unitarian Universalists, we embrace covenant as our foundation and love as our guiding principle. We strive to:

- Welcome, include, and appreciate a diversity of people and ideas
- Listen respectfully, speak honestly and directly, and assume good intentions
- Make decisions and take actions that promote justice and equity
- Support our community through generosity, service, and compassion
- Nurture our spiritual connections to nature and the sacred

When we fall short of our aspirations, we will accept feedback and work to heal harm. We will practice forgiveness and welcome it.
