Volunteers Needed for WindowDressers - A Green Sanctuary project

The Monadnock WindowDressers project takes place October 16 to 22, downstairs at PUUC where 130 window inserts will be assembled and wrapped. While orders are no longer being taken, we are desperately looking for more people to take shifts, especially from the afternoon of October 18 on. If you've been curious about these inserts, sign up for a 4-hour shift or two and learn about them. No experience necessary, and you'll have fun in the process. We could also use some more soup, salad, or dessert, along with people to help set up and clean up the lunch area on several of the days. Sign up to help at www.windowdressers.org. OR see Rhonda Barkley or Anne Fischer after the service this week.
